Handicapped facilities do not exist in many places on the itinerary. Therefore passengers must be able to negotiate stairs, uneven terrain, and unpaved walkways without access to railings or seating or use of wheeled mobility equipment.

I do not require assistance.       I require some assistance – please describe

---

I cannot travel without assistance, therefore my traveling companion, named \_\_\_\_\_, will be fully responsible for assisting me.

I have read and understand the alert set forth regarding the lack of handicap accessibility at places on the itinerary.
